- Organised
- Able to manage their own time - meeting deadlines
- Attend class regularly
- Able to apply themselves over a period of months
- Acting on Improvement Targets

Exam Based Subjects

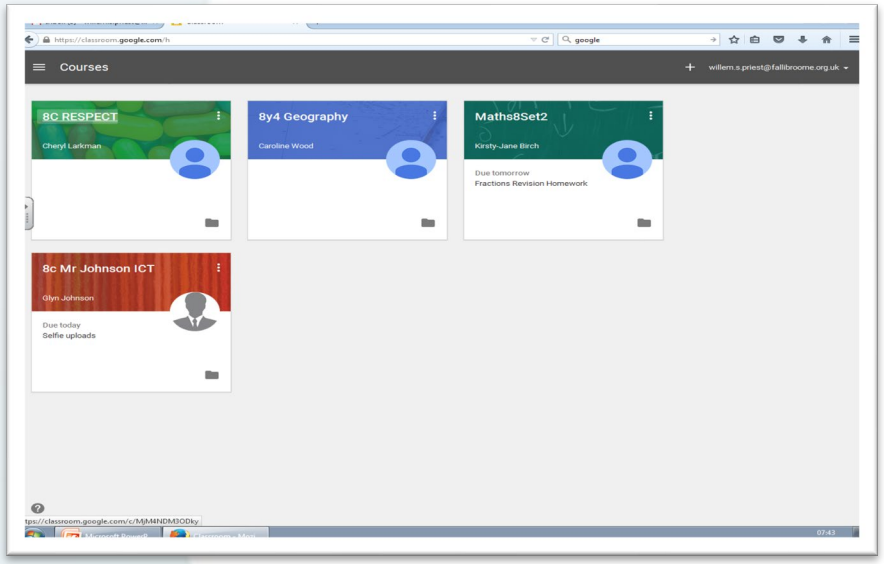

- Organised
- Highly developed note-taking
- Apply memory techniques
- Attend class regularly
- Willingness to engage in further reading

The Fallibroome Academy

Homework and Independent Study

Surviving Workload - Managing Time

- Revising new content – from day one – little and often
- Ongoing Coursework – meeting deadlines
- Completion of controlled work – external deadlines

Attendance is key to keeping on top the content

What did I miss in lesson today?

The Fallibroome Academy

Google Classroom

The core information that students and the parents need

1. Direct links to subject content – filtered by our staff
2. Information additional sessions and support sessions
3. Coursework catch up sessions
4. Revision techniques and preparing yourself for exams
5. Heads of Department Revision Top Tips – videos on the GCSE Hub

Academy

When they need it

The Fallibroome Academy

What do we know?

Students will spend more time working on some subjects than others

The Fallibroome Academy

Intervention: We want to help

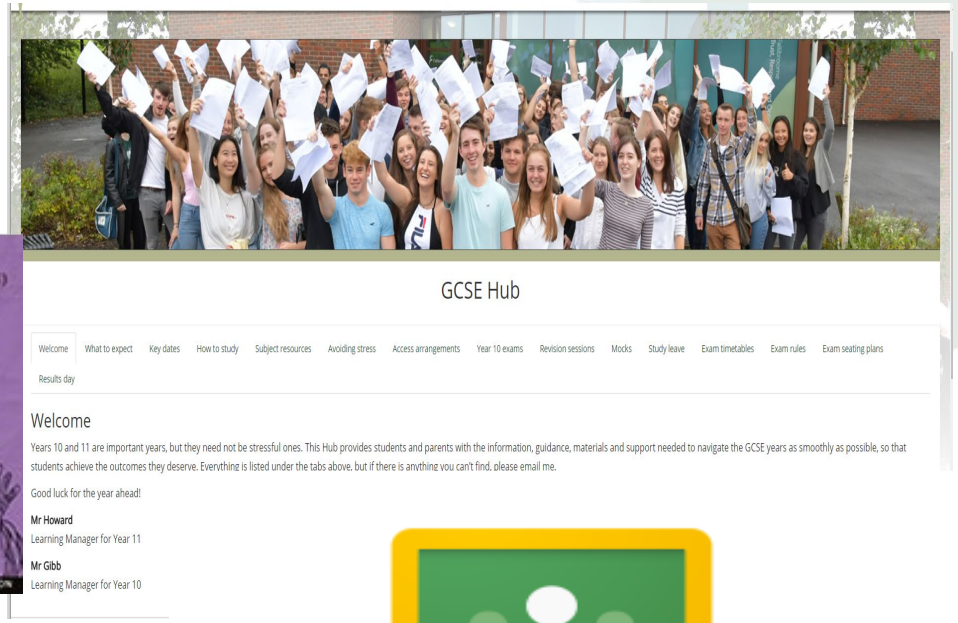

The student must show evidence of engaging with catch-up work, interventions and working with the teacher/ HoD

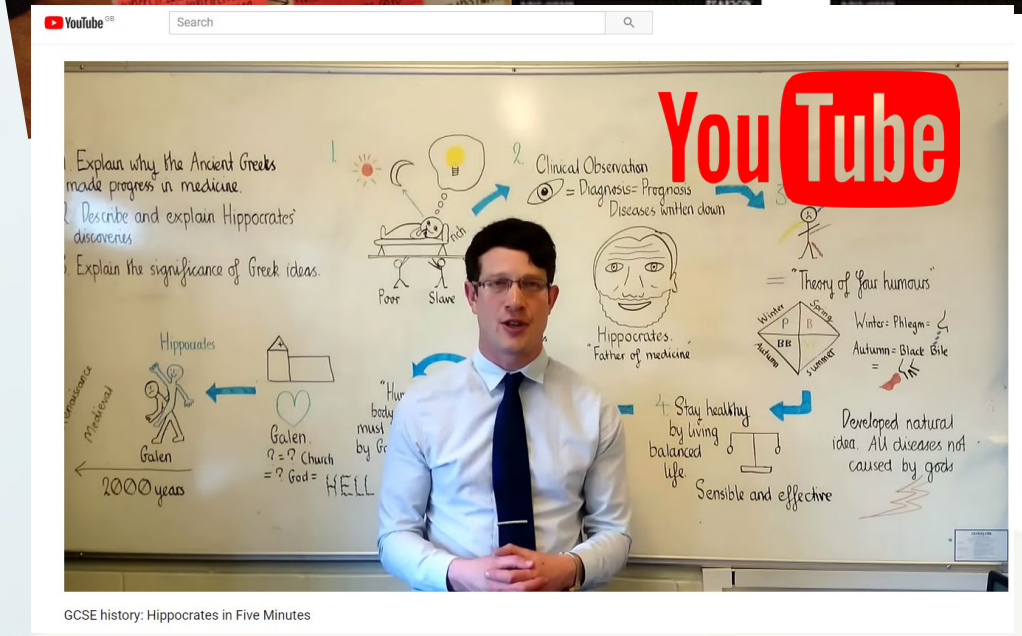

If things are not going well -

Ask for support from: Class teacher – Head of Department – Head of Year – Mr Priest

Developing the habits of Independent Study

Google Classroom

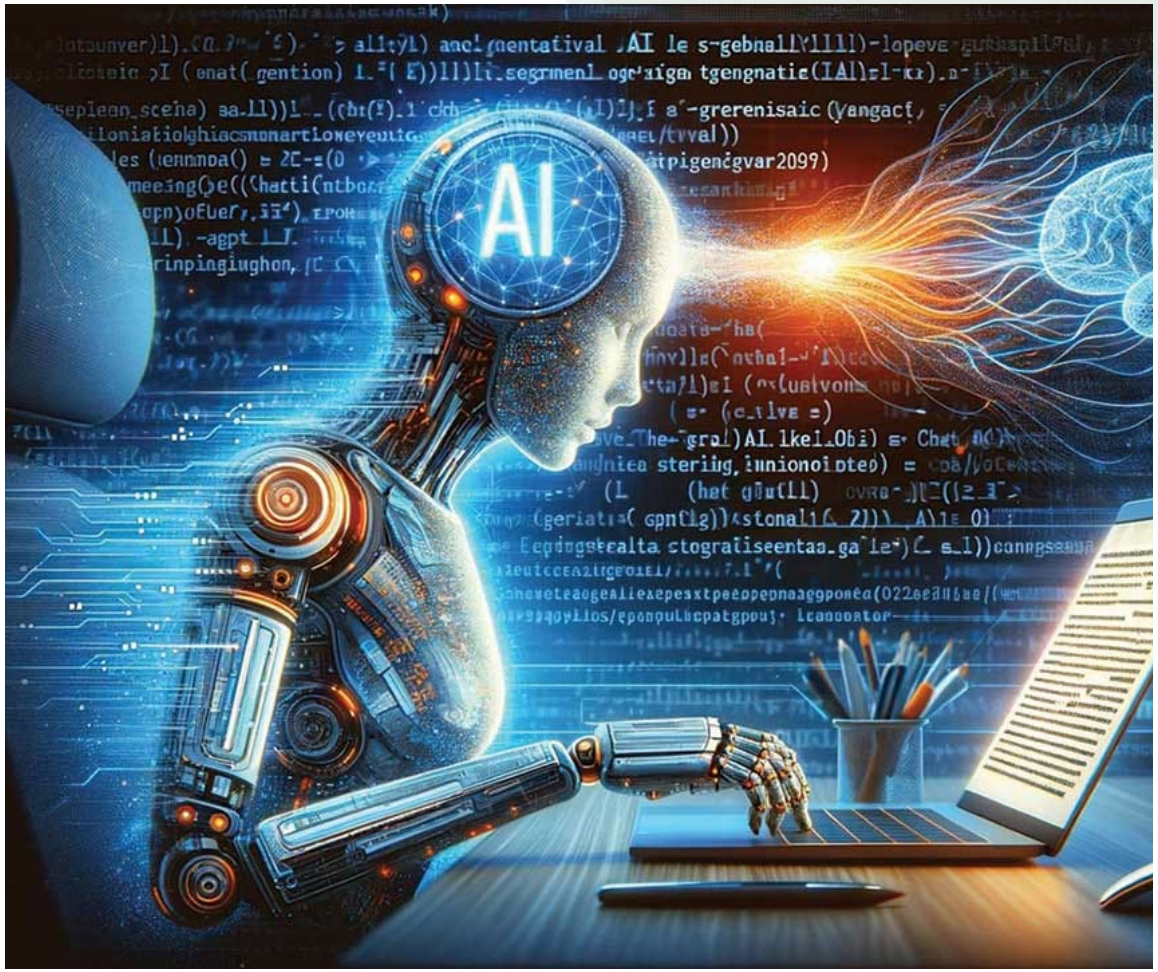

Targeted Study Support

AI - Students need to learn how it can help them

AI tools are very useful to help with study but....

it is there to help, not be you.

It is very tempting to use AI to complete homework, but this will not help in an exam situation.

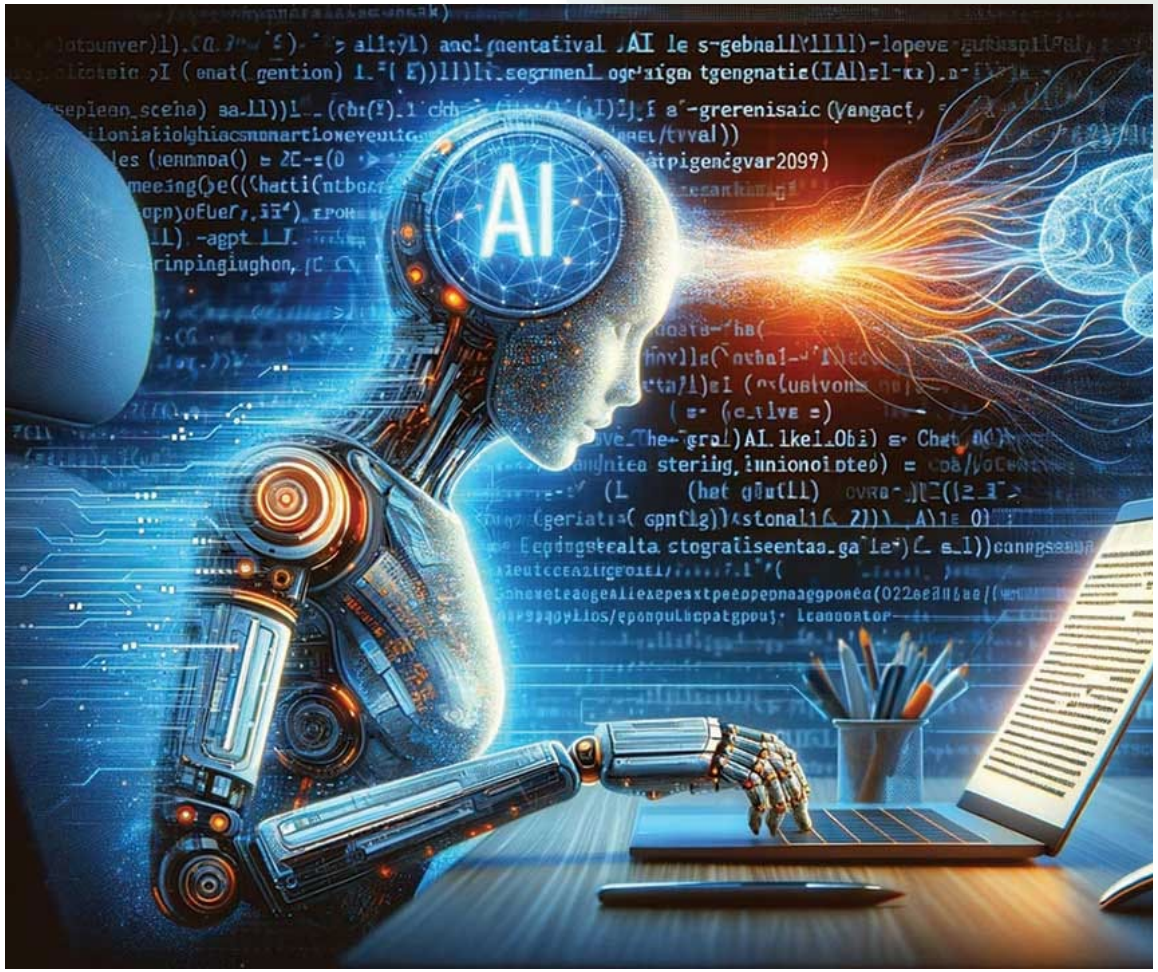

The Fallibroome Academy

AI - Students need to learn how it can help them

Explain Like I'm 5 “Explain a concept or topic as if you were talking to a 5-year-old child. Use simple language and everyday examples."

Quiz "Generate a 10-question quiz on a topic, including a mix of multiple-choice, true/false, and short-answer questions. Provide answers and brief explanations for each question."

Create a detailed study plan for learning over the course of a term. Include specific goals, resources, and milestones."

The Fallibroome Academy

We are working together on:

- Building Resilience
- Handling Stress
- Identifying areas for improvement
- Time Management
- Study Skills
