Introduction to Unifrog: Parents Evening

What is Unifrog?

- Unifrog believe that destinations - where students end up after school - is even more important than their academic performance. They partner with schools to support students to progress into the best opportunity for them.

- Unifrog do this by providing a one-stop-shop where students can explore their interests, then find and successfully apply for their best next-step after school.

GDPR

GDPR is a regulation in EU law on data protection and privacy for everyone within the European Union and the European Economic Area.

Unifrog takes data security very seriously, and as such, has several features in place to protect school and student data.

We only use EU data centres, have multiple firewalls, layered-access security and more. Information on this can be found at unifrog.org/about#security
