CASHLESS CATERING

Dear Parent / Guardian / Student,

The Fallibroome Academy operates an 'in-house' catering service and delivers a Healthy Eating Policy in accordance with the Department for Education (DfE) guidelines. The canteen provides a variety of hot and cold snacks/meals/drinks, available for purchase at breakfast, break, and lunchtimes.

To support the catering provision, we use a Biometric fingerprint recognition system for students to access their lunch accounts.

You will need to provide consent for collection of this data. The full Data Protection Policy – Biometric Consent Document, can be found on the Fallibroome Academy Website.

Once an account is created and sufficient funds have been added, the student can access the canteen facilities at breakfast, break and lunchtime using their scanned print to make a purchase.

Any parent/guardian who does **not** wish their child to utilise the fingerprint recognition facility, can still add funds to their lunch accounts, however, when purchasing food, these pupils will need to verbally confirm their identity at the till, this will be checked against the school held pupil photograph before purchases may be made.

Credit will need to be added to the student's account via WisePay our online payment facility. Details on how to access your WisePay account, will be sent on enrolment, please email **wisepay@fallibroome.org.uk** if you have any queries concerning login for Wisepay.

Lunch top ups made before 11.30 a.m. will be credited to lunch accounts for same day use, Lunch top ups made after 11.30 a.m. will be credited to lunch accounts for next day use.

The average student spend per day is between £3 to £4. Purchases cannot be made if there are no funds available on the account.

For students entitled to free school meals, their account will be credited daily with a virtual allowance of **£3.00.** Any unused virtual credit **does not** carry forward to the next day. Should your son/daughter, wish to spend more than the current daily allowance, you will need to make a payment to credit their account via Wisepay.

Parents are reminded that it is their responsibility to apply for Free School Meals through the Local Authority. Your entitlement will be reviewed annually; we will contact you around June each year giving details of how this can be done.

Further information, including Frequently Asked Questions, is available on the Fallibroome Academy website.
